Annual MMCA Board of Directors Elections Coming up

Each year MMCA seeks parents interested in taking an active role in the governance of the school by serving as a MMCA Board member. A Board member serves a two-year term which fulfills their family's annual 40-hour volunteer requirement.

The Board of Directors defines the mission of the school and clarifies its philosophy. In conjunction with the School Administrator, the Board establishes the financial, educational, and operational goals of MMCA and ensures that they are achieved annually. The Board may be involved in facility planning, review and approval of legal documents, annual operating budgets, and staffing decisions.

Applications and candidate information packets for the upcoming election will be made available next week. In the interim, if you have any questions about possibly becoming a Board Member, please feel free to contact Board President
